# UNLEASH<sup>the</sup> BEATS

Welcome to Unleash the Beats!

The #1 source of cheer and dance music for public use.

## Why Unleash the Beats?

Creating professional cheer and dance mixes for your schools or clients has become more than just knowing how to slice and layer effects. Navigating complicated music licensing regulations can stop you dead in your tracks and put you at risk, along with your school or clients. The team at Yes! Music have created a way to easily obtain a Master License to use any of our recordings in your cheer and dance competitions.

We've **Unleashed the beats** of almost 50,000 songs to give you access to killer recordings of today's hits and yesterday's classics. We also provide elements like isolated vocal and instrumental versions so you can isolate and accentuate exactly what you want to create drama and excitement.

## What will I get?

Once you pay your Master License Fee, you receive the full master recording in uncompressed wav format and as a bonus you
